

# Golf Bag Holder

LINK Golf Flagship · Product Spec Sheet

---

*Pro size bags, locked in for the ride*

## Product Drawing

## Specifications

**Dimensions:** 12 1/8" D × 12 1/8" W × 32 3/16" H

**Weight:** 15.43 lbs

**Material:** Welded steel + stainless steel hardware

**Finish:** Matte Black Powder Coat

**Fitment:** Denago Rover XL & XXL (forward-facing seat)

**Mounting:** Bolts onto HUB Mount front

## Overview

The Golf Bag Holder is the LINK golf flagship — it secures a pro size golf bag vertically on the HUB system, no more cramming the bag into a seat or strapping it down with bungees. Quick release buckle handles on each side make this ambidextrous: unstrap from the left or from the right, whichever is most convenient. A nylon webbing strap keeps the bag locked in through turns and rough terrain.

## Key Features

- Fits a pro size golf bag vertically
- Quick release buckle handles on each side — ambidextrous, unstrap from either side
- Nylon webbing strap for a secure hold
- Heavy duty welded steel construction
- Durable matte black powder coat
- Mounts to HUB Mount (sold separately)

## What's in the Box

- (4) Button Head Cap Bolt 3/8-16 × 3/4" stainless
- (4) Star Knob 3/8-16
- (1) Golf Cart Bag Strapping

## Warranty

Lifetime warranty on welded joints and stainless steel hardware. Three (3) year warranty on powder coat finish and all other components.
